Room 106 Update!

In the Classroom

It is a joy to watch the friendships grow in Room 106 and see how caring and concerned they are for one another!

Valentine's Day

We will be having a Valentine's Day party on Tuesday, February 14th! The children will be exchanging Valentines with their classmates. Please send a Valentine card for each child in the class with names printed boldly on the envelopes. This will help the children match names when they deliver the cards. A class list will be sent home in your child's purple bag. Please encourage your child to participate at whatever level they can in the project (e.g., counting out supplies, picking out a special sticker for each friend, or signing their name) so that they are proud and excited to share their cards with friends. We will be making Valentine bags in class. Three volunteers are needed per class on Feb. 14th. Sign up outside the classroom. Thank you!

Partner Play

This month we will begin partner play! Each child will be paired up with another child in the room and given an activity to play for about 10 minutes. We will learn how to take turns and listen to what our partner wants.

Spring Conferences

It's hard to believe that we are getting ready for our second conference! To prepare for this conference I will be testing the children during the months of February and March. We will be playing fun games with numbers, story cards and many other wonderful things. Let me know if you have any questions.
