Room 106 Update!

In the Classroom

What fun the children had using their imaginations during our fairy tale theme in December. The conversations that take place between the students now are amazing. They really enjoy each other's company and laughing and playing together.

Snack Schedule

Be sure to check the snack schedule posted online or by the classroom. Your child may have a snack day more than once in a month. If there is a "B" after your child's name we will be celebrating their birthday or half-birthday that day. On the day we are celebrating your child's birthday, parents or other special guests are invited to join us and read a story during snacktime.

Winter Gear

Just a reminder to send the following items to school each day with your child: boots, snowpants, coat, hat, mittens, and school shoes. The children love playing "Mrs. May Says" to put on all their winter gear. Mrs. May says "Put on your snowpants" or "Put on your coat" then everyone puts on their snowpants or coats at the same time. I am so impressed with the independence developing in the children with these important self-help skills.

Family Fun Night

Come have fun with your family at Family Fun Night and enjoy a night off from cooking and lively entertainment for the kids. Family Fun Night will be on Thursday, January 26th from 5:30-6:30 pm at Lake Harriet UM Preschool. We hope to see you there!
