Name:	Name:
-------	-------

I give permission to Lake Harriet United Methodist Preschool to take whatever emergency (i.e. first aid, disaster evacuation, etc...) measures are judged necessary for the care and protection of my child while under the supervision of the school. In the case of a medical emergency, I understand that my child will be transported to the appropriate medical facility by the local emergency unit for treatment if the emergency responder (police or paramedic) deems it necessary. The child will be transported at the expense of the parents/guardians. It is understood that in some medical situations, the staff will need to contact the local emergency resource before the parents/guardians, child's physician, and/or other adult acting on the parent's/guardian's behalf.
