## Room 101 – Mrs. Beebe

December is here and the holiday season is upon us! I hope you all had a relaxing Thanksgiving break. My transition into Room 101 has been smooth and being able to spend my day with these children has been a joy! I also enjoyed connecting with you for Fall conferences and getting to know your family better.

### December Learning Themes

**Holidays Around the World:** We will follow Globe Trot Scott as he travels around the world to celebrate different holiday traditions. He will take us along to visit England, France, Mexico, Australia, Italy, America, Sweden, Israel, Uganda, Germany and Russia. He will help us learn about each location and suggest a souvenir to make or a tasty treat to try. We will share our own family traditions and experiences to identify similarities and differences with our classmates and others around the world. With the holiday season comes delicious baked goods! Our dramatic play area will be transformed into a bakery. This is a place where the children can be creative and become pastry chefs!

### Walking Through the Alphabet

December letters will be as follows:

**Week of November 30 - Gg**

**Week of December 7 - Bb**

**Week of December 14 - Ee**

### Music with Mrs. Sherry

Ms. Sherry will continue to send video lessons for us to learn new songs and experience new instruments and musical concepts.

### Junior Teacher

We will be taking a short break from Junior Teacher the month of December. However, the children will be able to present holiday traditions shared in their families. A worksheet will be going home soon to be completed with your guidance and returned to school.
