November 2020

Food Drive

During the month of November, we will be collecting non-perishable food items for the Joyce Food Shelf located near Lake Street & Hennepin Avenue. One of the ways that we can help is for each class to contribute to build a birthday bag to-go! Cake mix, frosting, fun birthday plates and napkins, candles, party hats etc. They go in gift bags so families can just pick up a birthday party to go.

This is a great way to teach your child to be thankful for all you have and to share with those less fortunate. More information will be sent home the first week of November. Thank you!

Thanksgiving Break

Preschool will be closed the week of **November 23rd – 26th**. Happy Thanksgiving and safe travels for families on the road!

Scholastic Books

Thank you to all who ordered Scholastic Books last month! Orders for book are due by: Thursday, November 8th. If books are a gift, please indicate that on your order or email Mrs. Jordan (sjordan@lakeharrietumpreschool.org). Thanks!

Fall Conferences

Fall conferences are a wonderful opportunity to meet with you to discuss how your child is adjusting to preschool. The conference will be about 15 minutes in length via zoom or phone. Teachers will send a google doc to sign up and send home a fall conference questionnaire the first week in November. Conferences will take place the week of **November 16th**, regular preschool is in session.

Early Childhood Screening

An Early Childhood Screening is a developmental and health check of your child. At screening, trained staff will check your child's development, hearing and vision, growth, immunizations and health history. It is recommended that all children be screened at age 3, but children can be screened at 4 or 5 as well. Early screening is recommended so that any health or learning concerns can be found early and help can be provided sooner. In Minneapolis call 612-348-8687. In other districts, contact their ECFE. Screening is required by MN state law prior to the start of public school Kindergarten.

Ms. Sherry – LHUMP Music Specialist

Mrs. Sherry is our music specialist that has come to preschool to work with the students each month. Due to the pandemic, we cannot have Mrs. Sherry in person, but she is making videos for our classes to learn more about music from around the world. We look forward to implementing her lessons into our classrooms this month! Thank you Sherry!
