## March 2021

### Spring Conferences

Spring Conferences will be held on **Wednesday, March 31<sup>st</sup> and Thursday, April 1<sup>st</sup>**. Regular preschool will not be in session on those days.

Your teacher will send a link for conference sign-ups in the beginning of March for a zoom or phone conference.

Prior to your conference you will receive a note from your child's teacher asking you for any comments, concerns or questions you would like addressed at the conference. Please return the note before March 11<sup>th</sup>. Your comments will help your child's teacher prepare for the conference. Thank you.

### Tee-Shirt Tuesday!

Please show your support of Lake Harriet UM Preschool and have your child wear their green shirts the first Tuesday of the month!

### Book Orders

The March book orders and coffee orders are due by **March 4<sup>th</sup>**. Thank you for your on-going support.

### Music News

The preschoolers did such a fantastic job learning and singing (and signing) *Skidamarink* to perform for families over zoom last month. Thank you to Ms. Sherry for providing your virtual music lessons.

The preschool is offering a virtual field trip and classes will be incorporating lessons from The Friends of the MN Orchestra in either March or April. The virtual Kinder Konzert is to the story, *One Dog Canoe*.

### Health News

All of the Lake Harriet UM Preschool staff have received both first and second doses of the Covid-19 vaccine. We are so thankful! We will all continue to exercise caution and follow guidance to continue to operate as safely as we can. Thank you for your partnership in this effort!

### Spring Break

The preschool will be closed **April 5<sup>th</sup> – 8<sup>th</sup>** for our Spring Break. Classes resume on April 12<sup>th</sup>.

### Outside Play

Please continue to send snow-pants, boots, warm mittens, and hats to school every day. Even though it will be warming up, the playground continues to be wet and boots and snow-pants keep feet and legs warm and dry! Please keep sending indoor shoes along with the outdoor gear.

### TAX NUMBERS

It's getting to be that time of year! Our tax identification numbers are:

FEDERAL #: 41-0705791

STATE #: 8355-745

## Give your little one a boost!

In Minnesota, children must ride in a booster seat once they have outgrown a forward-facing harnessed restraint. It's safest they remain riding in a booster until they are 4 feet 9 inches tall, or at least age 8.

Boosters are seat lifts that raise a child up so a seat belt fits properly. Seat belts should not cut across the neck and should never be tucked behind the back or under an arm.

Children who are shorter than 4 feet 9 inches are not ready to use a seat belt alone. Poor belt fit can contribute to serious injury or death in a crash.

And remember, kids should ride in the back seat until age 13.

Visit [buckleupkids.mn.gov](http://buckleupkids.mn.gov) for more information about all types of child restraints, helpful car seat installation instruction videos and more.
