

April Newsletter

Room 101 – Mrs. Beebe

Welcome back to preschool! I hope you enjoyed your spring break. Thank you again for participating in the spring conferences. It was fun to chat with you about all the wonderful things your child is doing and learning.

April Learning Themes

Spring and Gardens:

Spring is an exciting time of year in Minnesota! We will be discovering what changes occur during spring. This will include learning about seeds, flowers, vegetables, trees and gardens. We will incorporate fictional and informational literature and our own experiences when learning about spring and gardens. Our dramatic play will be transformed into a Farmer's Market where the preschoolers can take turns being farmers/growers or consumers buying the goods.

Kinder Konzert - One-Dog Canoe:

Since we have not been able to go on field trips this school year, we will be doing the Kinder Konzert virtual field trip. We will learn about an orchestra and instruments, musical concepts, and discover how music can help tell a story which will include the book One Dog Canoe.

Walking Through the Alphabet

April letters will be as follows:

Week of April 12 – Ww

Week of April 19 – Xx

Week of April 26 – Yy

Reading Chain

Our reading chain is growing! We will continue to add links to our kindness/reading chain in April. This will include adding links for each book read at home. Strips of paper will be sent home and after reading a book together, you can choose to write the name of the book on the link and return it to school. Our goal is to

add enough links to our reading chain to make it long enough to circle our classroom!

Music with Mrs. Sherry

Ms. Sherry will continue to send video lessons for us to learn new songs and experience new instruments and musical concepts.

Junior Teacher

During April we will continue to invite the Jr. Teacher to bring in a favorite book to share. Please help your child prepare to talk about the book (ideas: name of author, characters, things that happen in the beginning, middle and the end of the book). Have your child also identify his/her favorite part of the book. Please see the Jr Teacher schedule posted on our classroom site.
