

# May Newsletter

## Room 101 – Mrs. Beebe

A very sincere thank you to all families for your support this year. It has been a privilege to teach your children and to watch them grow. I am looking forward to having a fun time together during the month of May!

### May Learning Themes

#### Bugs:

As we prepare for warmer weather, it is only appropriate we learn about bugs! We will become Entomologists and study a wide variety of different insects at preschool. We will discover what the insects look like, where they live, what they eat, and what makes them unique. We will incorporate nonfiction and fiction literature into our learning about bugs.

#### Summertime:

We will explore different activities that we may do in the summer. This may include special vacations, day trips or eating special foods. Our dramatic play will be transformed back to housekeeping where we can pretend to cook, clean and take adventures with our friends!

### Walking Through the Alphabet

The final letter in May will be:

**Week of May 3 – Zz**

### Reading Chain

Will our reading chain be long enough to reach our goal of circling our classroom?! We will continue to add links to our kindness/reading chain in May. This will include adding links for each book read at home. Strips of paper will be sent home and after reading a book together, you can choose to write the name of the book on the link and return it to school.

### Music Spring Program

Our class has been working hard on practicing songs to sing to you in May! We would like to thank Ms. Sherry for her monthly video lessons and teaching us new songs. Ms. Wright will send a zoom meeting link to you soon. Our classroom spring concert is on **Thursday, May 6, at 11:15am.**

### “Show and Tell”

We have completed the Junior Teacher lessons for the school year. However, we plan to have a “Show and Tell” Day on Thursday, May 20. Everyone from our classroom will bring something to show on that date. Your preschooler can choose to bring in something special to show and be prepared to talk about the object/toy. Please remind your child that the item must be small enough to fit into the purple school bag.
