

NAEYC Annual Program Evaluation

Our annual Family Survey will be sent home soon. A summary of the results will be sent home at the end of May. As an ongoing part of our national accreditation, we also report the results to NAEYC. Please return your completed evaluation by **Thursday, May 13th**. Surveys may be completed online, link for our survey will be emailed to you. If you prefer to send in a paper copy, you can return to preschool in your child's purple bag.

Your input is very important to us as we evaluate our program. We thank you in advance for your prompt response.

Tee-Shirt Tuesday!

Please show your support of Lake Harriet UM Preschool and have your child wear their green shirts on **Tuesday, May 4th**!

Book Orders

The May book order will be the final order of the 2020-21 school year and will be due on **May 6th**. Thank you for your on-going support.

April 2021

A huge THANK YOU to our Lake Harriet families for your support this year. Our goal has been to provide the best learning environment for your children. We have offered a variety of materials and activities providing opportunities for exploration. We have seen growth in social and emotional development, language skills, physical development and cognitive skills. It's been our pleasure educating your children! If you're moving on to another school, our best wishes to your family. If you will be returning to Lake Harriet this summer or in the fall, we look forward to seeing you again soon!

Thank you to all the Preschool Board and all of the families who have helped our teachers feel all of the appreciation and gratitude for their exceptional work this year. This was identified as a the number one goal of the preschool board at the beginning of the school year, and I can unequivocally pronounce, **mission accomplished!** Our entire staff, both preschool and LHUMC church, are so thankful for the positive workplace environment created by all of you, thank you!

Thank you to the Hancock Family for bringing delicious donuts to our staff meeting last month 😊

New Educational Software & App

LHUMP is moving to the digital age! We recently began onboarding brightwheel, a tool for classroom management, communication, and much more. Brightwheel is the industry leader in early education, proven to save time for staff, while also delivering a much better experience for parents.

We will begin using brightwheel this summer. You may have already received an invitation to create an account. All of those who are registered for Summer Fun! Camp will receive invitations as well as those returning for the 2021-22 school year.

Enrollment materials will be available for families to fill out online in the beginning of May. Completed forms and payment are due by **June 25th**.

If your child is enrolled and will not be returning to the preschool in the fall, please let us know as soon as possible so we may offer your spot to another family.

If your contact information changes over the summer, please be sure to let us know. Email is the best way to reach us during the summer.

School Skills

Want to work with your child on a few skills that will help with school success? Here are some suggestions: recognizing and naming numbers 0-10, simple shapes like triangle, circle, rectangle & oval and colors like red, orange, yellow, green, blue, purple, brown, black & white; understanding general concepts of time like yesterday, tomorrow, last week; identifying parts of his/her body and following simple two-step directions.

Practice these concepts along with reading to your child each day! Go outside for physical activities and keep up the play dates.
