## Room #104 – Mrs. Jordan

It has been a delight to work with you and your child this year. What a great group of children, you should all be so proud of your children. Thank you for helping all of us stay healthy and safe in this strange world of COVID It is greatly appreciated. It has been so nice to be able to have time together on the playground. Thank you to Gretchen (Abe's mom) & Anna (Lillian's mom) for helping out with our woodworking project. It is so good having parents in the classroom again.

Good luck and have fun to those of you who are moving onto kindergarten in the fall. I will see some of you next year, be sure to stop by to say Hi.
